

## DEBBIE'S COSTUME SHOP

### INDIVIDUAL COSTUME RENTAL PROCEDURES

Anytime there is a need for a costume, we are here for it! We can help you create your own "DIY" rental costume from real clothing and accessories from our shop. You will be a hit in your one-of-a-kind costume! Just contact us and we will walk you through the very easy and fun process. Please see below for more details.

1. **INQUIRE:** Reach out to Debbie's Costume Shop either by phone, email, or Facebook messenger to inquire. Be prepared with your vision, size, and any photo inspiration you may have.
2. **APPOINTMENT:** Make an appointment to come into the shop. During the appointment you'll try on options that our staff has pulled for you based on your vision. You can also spend time searching through the shop to see if there is anything else that catches your eye.
3. **PAY:** Pay the rental fee and take your costume! We accept credit card, check, cash, or Venmo. We will also request a credit card number to have on file in case a late fee needs to be added. Since the costumes are customizable, final pricing is discussed during your appointment, but a range may be given ahead of time.
4. **RETURN:** Costumes are due 3 business after your appointment. If the costume is not returned 7 days after your appointment, a late fee will be charged to the card on file.

I understand and agree to comply with the above conditions:
